

# Prevocational Year 1 (Internship) - Ballarat

Prevocational Year 1 - 5 Rotations across 47 weeks (35 Positions)									
Rotations & Clinical Experiences									
Surg	Med	ED	Ortho	ENT	Cardio	Gastro	Rehab	Geris	Urol
C	C	A	C	C	C	C	B	B	C
D	B	C	D	D	B	B			D

## *Breadth of experience rather than core terms*

Clinical Experiences will provide a more flexible prevocational training program, compared to previously mandated core terms.

- A: Care of patients presenting with undifferentiated illness.
- B: Chronic illness patient care.
- C: Acute and critical illness patient care.
- D: Pre-procedural/operative patient care

Clinical Experience categorisation is dependent on the model of care.
