### ORGANISATIONAL INFORMATION

Grampians Health was established on 1 November 2021, bringing together Edenhope and District Memorial Hospital, Stawell Regional Health, Wimmera Health Care Group and Ballarat Health Services as one united health service. More information can be found at [www.grampianshealth.org.au](http://www.grampianshealth.org.au)

Our purpose is to provide high quality and accessible health care services in each of the communities we serve. We currently service the healthcare needs of more than 250,000 Victorians and we employ more than 6,300 people across 21 campuses and sites with an annual operating revenue of over \$700m.

<b>Collaboration</b>	<b>Compassion</b>	<b>Accountability</b>	<b>Respect</b>	<b>Innovation</b>
<i>We are stronger together.</i>	<i>We show that we care.</i>	<i>We do what we say and say what we do.</i>	<i>We appreciate and value all people.</i>	<i>We adapt and innovate to achieve best outcomes.</i>
Recognising and utilising strengths to share knowledge, solve problems, build relationships and deliver the best outcomes possible.	All people deserve to be treated with compassion, kindness and empathy.	Openness, honesty and transparency support us to be courageous, take responsibility for our actions and follow through on our commitments	Our actions and words reflect our commitment to a safe and fair health service for all.	Every day, we apply expertise and integrity to make responsible choices, always striving for continuous improvement.

## **POSITION PURPOSE**

This position will provide specialist musculoskeletal Physiotherapy clinical expertise and service delivery across a range of clinical areas, primarily the provision of primary contact Physiotherapy in the Developmental Dysplasia of Hip (DDH) Outpatient Clinic. You will provide high quality, safe and effective Physiotherapy assessment and service delivery within the documented scope of practice. You will build and sustain positive working relationships within the Orthopaedic and Paediatric (Orthotics and Radiology) services, being responsive to changes in needs and expectations. You will identify strategic relationships between organisational and service delivery goals and will significantly contribute to improved work practices. You will take a leading role in the training and supervision of musculoskeletal secondary contact Physiotherapists, as well as the education of other health professionals.

You will also support the Manager of Physiotherapy & Exercise Therapy to enhance team building and excellence and provide a leadership role within the team and Allied Health. Parameters of this position include some of the following; mentoring and supervising discipline staff, consultative role, research, lecturing, teaching undergraduate and /or post graduate students and providing education to staff from other disciplines.

## **KEY ACCOUNTABILITIES**

### **1. Clinical**

- a) Provide advanced assessment, treatment / intervention and consultative services to Grampians Health clients and their families/carers attending the DDH clinic.
  - 60% time will be spent in client attributable activity as evidenced by analysis of workload statistics
  - Ensure the smooth transition of clients through the health care system, liaising with relevant staff and community agencies to ensure continuity of care for individual patients / clients and their families
  - Advanced knowledge and appropriate use of services relevant to client / family
  - Organisational, allied health, program and discipline communication and documentation standards are met, as evidenced by audit
  - Lead role in relevant ward rounds / case conferences
- b) Ensure the ongoing ability to provide clinical excellence the Grade 3 Senior Clinician will:
  - Participate in and meet the standards of the Grampians Health Performance Development & Review Program
  - Participate and fulfil requirements of allied health and discipline specific orientation, induction, mentorship, supervision and performance management programs
  - Support the Clinical Manager in Performance Management duties as directed, completing relevant tasks as part of the Performance Development & Review Program and Supervision in line with organisational and departmental policies
  - Initiate / coordinate and complete a minimum of one documented quality improvement activity or research project for the discipline biannually, which is of sufficient standard to reach publication in a refereed journal / or be accepted for relevant conferences and seminars
  - Identify and participate in relevant research and take opportunities to prepare and / or present papers at relevant workshops/seminars or conferences
  - Monitor new developments through journal review, attend and present at relevant Grampians Health in-services and attend other relevant external educational opportunities.
  - Monitor and ensure all clinical activity undertaken fulfils or exceeds the applicable competency standards of the profession, and the minimum standards for the programs into which the Grade 3 Senior Clinician inputs / relates
  - Engage in, lead and support clinical work in your discipline/team that is guided by evidence-based practice and in which outcomes are monitored and modifications are made as required

### **2. Clinical Support**

a) Leadership and Management

- Provide a leadership role within the department and Allied Health team and organisation, supporting the Clinical Manager to enhance team building and excellence.
- Model and facilitate commitment to excellence and accountability as evidenced through participation in performance and outcome measurement, strategic planning, quality improvement, evaluation and research
- Lead or have a lead role in discipline, allied health or multidisciplinary teams, working in consultation with Clinical Manager and key stakeholders
- Identify opportunities for more effective service delivery and for professional development opportunities and proactively implement strategies to address these

- 6 Demonstrated ability to develop and empower others through supervision, modelling and training.
- 7 Demonstrated initiative to lead and develop a service, engaging effectively with consumers and key stakeholders.
- 8 Demonstrated understanding of, and desire to work in the role
- 9 Demonstrated ability to monitor, evaluate and modify own performance through reflective practice

## **ORGANISATIONAL REQUIREMENTS**

- Grampians Health is committed to a consumer centred approach in the provision of health care and services, consistent with our values, purpose and vision. It is expected that team members demonstrate the core values of consumer centred care in every interaction.
- All team members of Grampians Health are responsible for supporting the safety, participation, wellbeing and empowerment of children.

- Quality care is a strategic and operational priority at Grampians Health, achieved through our Governance Framework.
- Participation in the Grampians Health integrated quality improvement and risk management systems by being aware of responsibilities to identify, minimise and manage risks and identifying opportunities for continuous improvement in your workplace through communication and consultation with managers and colleague.
- You must ensure that the affairs of Grampians Health, its patients, clients and staff remain strictly confidential and are not divulged to any third party except where required for clinical reasons or by law. Such confidentiality shall extend to the commercial and financial interests and activities of Grampians Health.
- All team members must adhere to infection control policies and procedures, together with any State and/or Commonwealth Government Covid19 rules, protocols and orders.
- In accordance with current legislation and organisational policy, employees must be willing to undertake and maintain a police check, working with children check and where necessary an NDIS Worker screening check. Ongoing employment will be dependent on the provision of satisfactory checks.

## **OTHER RELEVANT INFORMATION**

- At Grampians Health we recognise and respect diversity. Each person has a right to high-quality health care and opportunities regardless of diversity factors which might include aspects such as cultural, ethnic, linguistic, religious background, gender, sexual orientation, age, and socioeconomic status. Inclusiveness improves our service to our community and promotes engagement amongst Grampians Health employees.
- All Grampians Health employees are required to take reasonable care of their own health and safety in the workplace as well as take reasonable care for the health and safety of others who may be affected their acts or omissions. Persons with delegated management functions have an additional duty to provide and maintain a working environment that is safe and free of risks to health, so far as is reasonably practicable in areas where they have management or control. All employees have a duty to report issues they cannot rectify, follow all existing Grampians Health policies and protocols relating to health, safety, wellbeing and injury management and cooperate with any action taken by Grampians Health to comply with the OHS Act or Regulations.
- Statements included in this Position Description are intended to reflect in general the duties and responsibilities of this position and are not to be interpreted as being all inclusive.
- Management may alter this Position Description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).
- An annual performance review will occur with your Manager. Your performance review is intended to be a positive discussion, outlining the key roles and responsibilities outlined in this Position Description. The performance review discussion provides an opportunity to clarify your role, revise key performance activities and identify any objectives or goals for the year ahead.

## **APPOINTMENTS**

• All Allied Health practitioners who provide patient care services in the context of clinical care, research, and teaching within Grampians Health (GH) will be appointed in accordance with the relevant Grampians Health Recruitment Policy. These appointments are subject to routine review, incorporating the Allied Health practitioners' credentials and definition of scope of practice. The initial credentialling and the co-ordination of the credentialing process for Allied Health Practitioners including the determination of scope of practice is undertaken through the office of the Chief Medical Officer in conjunction with the office of the Chief Allied Health Officer.

## **LOCUMS**

• Suitable qualified and experienced practitioners may be appointed as locums to cover the leave of Allied Health Practitioners to fill gaps in service. All locums will be required to provide sufficient credentialing

paperwork prior to commencement and receive approved interim credentialing prior to locum contracts being signed Shorter Performance appraisal document to be completed.
