

Cancer Bereavement Support Group

What is it?

This support group is a safe and supportive space to meet others who have experienced the death of a family member, partner, or friend from cancer.

What you can expect:

- A space where grief is recognised as a natural response to loss
- Opportunities to share your experience if you choose
- Time to listen to others
- Information about grief and coping

Facilitated by:

Pastoral Care, Social Work, and Psychology Departments

Who can attend:

Adults grieving the death of a family member, partner, or friend from cancer.

Session dates (2026):

21 August
2 October
27 November

Time:

12.00pm

Cost:

Free
