ORGANISATIONAL REQUIREMENTS

- Grampians Health is committed to a consumer centred approach in the provision of health care and services, consistent with our values, purpose and vision. It is expected that team members demonstrate the core values of consumer centred care in every interaction.
- All team members of Grampians Health are responsible for supporting the safety, participation, wellbeing and empowerment of children.
- Quality care is a strategic and operational priority at Grampians Health, achieved through our Governance Framework.
- Participation in the Grampians Health integrated quality improvement and risk management systems by being aware of responsibilities to identify, minimise and manage risks and identifying opportunities for continuous improvement in your workplace through communication and consultation with managers and colleague.
- You must ensure that the affairs of Grampians Health, its patients, clients and staff remain strictly confidential and are not divulged to any third party except where required for clinical reasons or by law. Such confidentiality shall extend to the commercial and financial interests and activities of Grampians Health.
- All team members must adhere to infection control policies and procedures, together with any State and/or Commonwealth Government Covid19 rules, protocols and orders.
- In accordance with current legislation and organisational policy, employees must be willing to undertake and maintain a police check, working with children check and where necessary an NDIS Worker screening check. Ongoing employment will be dependent on the provision of satisfactory checks.
- Comply with all GH Policies and Procedures
- Adhere to infection control policies and procedures as identified in the Grampians Health Infection Control Manuals

OTHER RELEVANT INFORMATION

- At Grampians Health we recognise and respect diversity. Each person has a right to high-quality health care and opportunities regardless of diversity factors which might include aspects such as cultural, ethnic, linguistic, religious background, gender, sexual orientation, age, and socioeconomic status. Inclusiveness improves our service to our community and promotes engagement amongst Grampians Health employees.

- All Grampians Health employees are required to take reasonable care of their own health and safety in the workplace as well as take reasonable care for the health and safety of others who may be affected by their acts or omissions. Persons with delegated management functions have an additional duty to provide and maintain a working environment that is safe and free of risks to health, so far as is reasonably practicable in areas where they have management or control. All employees have a duty to report issues they cannot rectify, follow all existing Grampians Health policies and protocols relating to health, safety, wellbeing and injury management and cooperate with any action taken by Grampians Health to comply with the OHS Act or Regulations.
- Statements included in this Position Description are intended to reflect in general the duties and responsibilities of this position and are not to be interpreted as being all inclusive.
- Management may alter this Position Description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).
- An annual performance review will occur with your Manager. Your performance review is intended to be a positive discussion, outlining the key roles and responsibilities outlined in this Position Description. The performance review discussion provides an opportunity to clarify your role, revise key performance activities and identify any objectives or goals for the year ahead.
