### ORGANISATIONAL INFORMATION

Grampians Health was established on 1 November 2021. Drawing on a regional history of over 150 years, we provide service to over 250,000 Victorians, operate across 21 campuses and sites, and employ more than 7,000 dedicated professionals. Our values reinforce our commitment to providing high-quality, accessible healthcare services close to home. Our mission is to serve the communities of the Grampians region with comprehensive care, ensuring every individual receives the attention they deserve. For more information, visit [www.grampianshealth.org.au](http://www.grampianshealth.org.au).

<b>Collaboration</b>	<b>Compassion</b>	<b>Accountability</b>	<b>Respect</b>	<b>Innovation</b>
<i>We are stronger together.</i>	<i>We show that we care.</i>	<i>We do what we say and say what we do.</i>	<i>We appreciate and value all people.</i>	<i>We adapt and innovate to achieve best outcomes.</i>
Recognising and utilising strengths to share knowledge, solve problems, build relationships and deliver the best outcomes possible.	All people deserve to be treated with compassion, kindness and empathy.	Openness, honesty and transparency support us to be courageous, take responsibility for our actions and follow through on our commitments	Our actions and words reflect our commitment to a safe and fair health service for all.	Every day, we apply expertise and integrity to make responsible choices, always striving for continuous improvement.

## POSITION PURPOSE

Grampians Health is the principal referral hospital for the Grampians region.

The mission of GH is to deliver fully integrated regional health services which maximise care, compassion, individual choice and quality outcomes.

The VMO Urology will work closely with the other members of the Urology team including Nursing, Allied Health and other Urology specialists as well as junior medical staff in the provision of high standard general surgery management to patients in the region.

## KEY ACCOUNTABILITIES

- Operating session as per agreed weekly timetable to cover Urology patients on the waiting list.
- Outpatient clinic session to see both newly referred and follow up Urology patients.
- Attend ward rounds and Urology department meetings.
- Participation in the Urology on-call roster as notified.
- Compliance with all GH Policies and Procedures.
- Adherence to infection control policies and procedures as identified in the Grampians Health Infection Control Manuals.
- Participation in the GH integrated risk management and quality improvement systems by being aware of responsibilities to identify, minimise and manage risks and identifying opportunities for continuous improvement in your workplace through communication and consultation with managers and colleague
- You must ensure that the affairs of Grampians Health, its patients, clients and staff remain strictly confidential and are not divulged to any third party except where required for clinical reasons or by law. Such confidentiality shall extend to the commercial and financial interests and activities of Grampians Health.
- At GH we recognise and respect diversity. Each person has a right to high-quality health care and opportunities regardless of diversity factors which might include aspects such as cultural, ethnic, linguistic, religious background, gender, sexual orientation, age, and socioeconomic status. Inclusiveness improves our service to our community and promotes engagement amongst GH employees.
- GH is committed to a patient/client centred approach in the provision of health care and services, consistent with the GH values, mission and vision. It is expected that you demonstrate the core values of patient centred care in every interaction with patients, carers and colleagues.

## KEY SELECTION CRITERIA

- **Medical Practitioner** who holds a degree registrable with the Medical Practitioners Board of Victoria.
- **Post graduate experience and qualifications in Gen Surgery** which would allow recognition as a specialist under Medicare
- **Analytical and Conceptual Skills:** The ability to research data and information, identify key priorities and objectives; organise information in a logical sequence; including creation of resulting reports appropriate to purpose and audience.
- **Clinical Service:** Can demonstrate thorough knowledge of general surgery management and surgical skills in both the elective and emergency situation
- **CME:** Demonstrates a commitment to ongoing professional development is able to describe current trends and issues affecting general surgical care
- **Research:** Has some knowledge and is interested in conducting and encourage local research in general surgery
- **Interpersonal Skills:** Ability to develop positive relationships with health care professionals, providers, carers and patients

- **Teaching:** Demonstrated ability to provide education and training to health care team, medical students and junior medical staff
- **Communication and Conflict resolution:** Ability to communicate well with patients and carers and avoid and deal with conflict should it occur
- **Resource use:** acknowledge the need for efficient use of medical and surgical resources, equipment and

## ORGANISATIONAL REQUIREMENTS
