ORGANISATIONAL INFORMATION

Grampians Health was established on 1 November 2021, bringing together Edenhope and District Memorial Hospital, Stawell Regional Health, Wimmera Health Care Group and Ballarat Health Services as one united health service. More information can be found at www.grampianshealth.org.au

Our purpose is to provide high quality and accessible health care services in each of the communities we serve. We currently service the healthcare needs of more than 250,000 Victorians and we employ more than 6,300 people across 21 campuses and sites with an annual operating revenue of over \$700m.

Collaboration	Compassion	Accountability	Respect	Innovation
<i>We are stronger together.</i>	<i>We show that we care.</i>	<i>We do what we say and say what we do.</i>	<i>We appreciate and value all people.</i>	<i>We adapt and innovate to achieve best outcomes.</i>
Recognising and utilising strengths to share knowledge, solve problems, build relationships and deliver the best outcomes possible.	All people deserve to be treated with compassion, kindness and empathy.	Openness, honesty and transparency support us to be courageous, take responsibility for our actions and follow through on our commitments	Our actions and words reflect our commitment to a safe and fair health service for all.	Every day, we apply expertise and integrity to make responsible choices, always striving for continuous improvement.

POSITION PURPOSE

The Registered Nurse Division 1 Grade 2:

- Will be employed to work in either the Acute Operations, Sub-acute or Residential Nursing Service Directorate.
- Is responsible for planning, implementing and evaluating evidence-based nursing care in collaboration with the multidisciplinary team to achieve optimal healthcare outcomes for people of all ages and cultural group.

OTHER RELEVANT INFORMATION

- At Grampians Health we recognise and respect diversity. Each person has a right to high-quality health care and opportunities regardless of diversity factors which might include aspects such as cultural, ethnic, linguistic, religious background, gender, sexual orientation, age, and socioeconomic status. Inclusiveness improves our service to our community and promotes engagement amongst Grampians Health employees.

- All Grampians Health employees are required to take reasonable care of their own health and safety in the workplace as well as take reasonable care for the health and safety of others who may be affected by their acts or omissions. Persons with delegated management functions have an additional duty to provide and maintain a working environment that is safe and free of risks to health, so far as is reasonably practicable in areas where they have management or control. All employees have a duty to report issues they cannot rectify, follow all existing Grampians Health policies and protocols relating to health, safety, wellbeing and injury management and cooperate with any action taken by Grampians Health to comply with the OHS Act or Regulations.
- Statements included in this Position Description are intended to reflect in general the duties and responsibilities of this position and are not to be interpreted as being all inclusive.
- Management may alter this Position Description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).
- An annual performance review will occur with your Manager. Your performance review is intended to be a positive discussion, outlining the key roles and responsibilities outlined in this Position Description. The performance review discussion provides an opportunity to clarify your role, revise key performance activities and identify any objectives or goals for the year ahead.
