ORGANISATIONAL INFORMATION

Grampians Health was established on 1 November 2021, bringing together Edenhope and District Memorial Hospital, Stawell Regional Health, Wimmera Health Care Group and Grampians Health as one united health service. More information can be found at www.grampianshealth.org.au

Our purpose is to provide high quality and accessible health care services in each of the communities we serve. We currently service the healthcare needs of more than 250,000 Victorians and we employ more than 6,300 people across 21 campuses and sites with an annual operating revenue of over \$700m.

Collaboration	Compassion	Accountability	Respect	Innovation
<i>We are stronger together.</i>	<i>We show that we care.</i>	<i>We do what we say and say what we do.</i>	<i>We appreciate and value all people.</i>	<i>We adapt and innovate to achieve best outcomes.</i>
Recognising and utilising strengths to share knowledge, solve problems, build relationships and deliver the best outcomes possible.	All people deserve to be treated with compassion, kindness and empathy.	Openness, honesty and transparency support us to be courageous, take responsibility for our actions and follow through on our commitments	Our actions and words reflect our commitment to a safe and fair health service for all.	Every day, we apply expertise and integrity to make responsible choices, always striving for continuous improvement.

POSITION PURPOSE

This position includes alternating 6-month rotations in ICU and Anaesthetics over a 12-month period.

Anaesthetics: Provide anaesthetic services, including appropriate pre and post-operative care, to patients of Grampians Health as directed by and under the supervision of the Clinical Director of Anaesthesia or his delegate. This includes performing a share of on-call duties and responsibilities.

ICU: The Intensive Care Unit is a 12 bed unit including 6 CCU/HDU beds. The hospital medical officer works under supervision to care for acutely ill patients requiring complex support especially ventilation as well as patients with coronary and other cardiac conditions.

KEY ACCOUNTABILITIES

- Undertake the full range of clinical anaesthetic activities consistent with training and experience.
- Assist with the review the policies and procedures of anaesthetic provision, updating as needed to reflect best practice and evidence based medicine.
- Attend ward round and meetings as required and implementation of consultant's instructions for patient management.
- Taking and/or checking the detailed medical history and examination.
- Documenting clinical history, physical examination and management plan in the medical record at the time of admission.
- Ordering and coordinating investigations on a daily basis according to protocol and directions which can include obtaining results from other hospitals.
- Daily reviewing all patients under your care.
- Communicating with previous admitting unit and hospital regarding clinical information.
- Detailed admission notes on all new admissions to ICU and Coronary Care.
- Maintaining an ongoing record of the patient's progress, investigations and results.
- When patient transfers from ICU to a ward, inform and discuss the discharge plans of the patient.
- Completion of relevant discharge summary to accompany patient on discharge.
- Discussing discharge plans with the patient's general practitioner and other health professionals responsible for ongoing care
- Compliance with all Grampians Health Policies and Procedures.
- Adherence to infection control policies and procedures as identified in the Grampians Health Infection Control Manuals.
- Participation in the Grampians Health integrated risk management and quality improvement systems by being aware of responsibilities to identify, minimise and manage risks and identifying opportunities for continuous improvement in your workplace through communication and consultation with managers and colleague
- You must ensure that the affairs of Grampians Health, its patients, clients and staff remain strictly confidential and are not divulged to any third party except where required for clinical reasons or by law. Such confidentiality shall extend to the commercial and financial interests and activities of Grampians Health.
- At Grampians Health we recognise and respect diversity. Each person has a right to high-quality health care and opportunities regardless of diversity factors which might include aspects such as cultural, ethnic, linguistic, religious background, gender, sexual orientation, age, and socioeconomic status. Inclusiveness improves our service to our community and promotes engagement amongst Grampians Health employees.
- Grampians Health is committed to a patient/client centred approach in the provision of health care and services, consistent with the Grampians Health values, mission and vision. It is expected that you demonstrate the core values of patient centred care in every interaction with patients, carers and colleagues.

KEY SELECTION CRITERIA

Minimum Qualifications:

MBBS or equivalent

Current registration to practice with the Australian Medical Board

Successful completion of an internship year

Experience:

Clinical experience consistent with stage of career, PGY3+.

Experience in self-management and organization of work to achieve agreed outcomes.

ORGANISATIONAL REQUIREMENTS

- Grampians Health is committed to a consumer centred approach in the provision of health care and services, consistent with our values, purpose and vision. It is expected that team members demonstrate the core values of consumer centred care in every interaction.
- All team members of Grampians Health are responsible for supporting the safety, participation, wellbeing and empowerment of children.
- Quality care is a strategic and operational priority at Grampians Health, achieved through our Governance Framework.
- Participation in the Grampians Health integrated quality improvement and risk management systems by being aware of responsibilities to identify, minimise and manage risks and identifying opportunities for continuous improvement in your workplace through communication and consultation with managers and colleague.
- You must ensure that the affairs of Grampians Health, its patients, clients and staff remain strictly confidential and are not divulged to any third party except where required for clinical reasons or by law. Such confidentiality shall extend to the commercial and financial interests and activities of Grampians Health.
- All team members must adhere to infection control policies and procedures, together with any State and/or Commonwealth Government Covid19 rules, protocols and orders.
- In accordance with current legislation and organisational policy, employees must be willing to undertake and maintain a police check, working with children check and where necessary an NDIS Worker screening check. Ongoing employment will be dependent on the provision of satisfactory checks.

OTHER RELEVANT INFORMATION

- At Grampians Health we recognise and respect diversity. Each person has a right to high-quality health care and opportunities regardless of diversity factors which might include aspects such as cultural, ethnic, linguistic, religious background, gender, sexual orientation, age, and socioeconomic status. Inclusiveness improves our service to our community and promotes engagement amongst Grampians Health employees.
- All Grampians Health employees are required to take reasonable care of their own health and safety in the workplace as well as take reasonable care for the health and safety of others who may be affected their acts or omissions. Persons with delegated management functions have an additional duty to provide and maintain a working environment that is safe and free of risks to health, so far as is reasonably practicable in areas where they have management or control. All employees have a duty to report issues they cannot rectify, follow all existing Grampians Health policies and protocols relating to health, safety, wellbeing and injury management and cooperate with any action taken by Grampians Health to comply with the OHS Act or Regulations.
- Statements included in this Position Description are intended to reflect in general the duties and responsibilities of this position and are not to be interpreted as being all inclusive.

- Management may alter this Position Description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).
- An annual performance review will occur with your Manager. Your performance review is intended to be a positive discussion, outlining the key roles and responsibilities outlined in this Position Description. The performance review discussion provides an opportunity to clarify your role, revise key performance activities and identify any objectives or goals for the year ahead.
