POSITION PURPOSE

The primary purpose of this position is the provision of high-quality Physiotherapy services. Reporting directly to the Deputy Physiotherapy Manager Ballarat, key roles of the position include accountability for delivery of high quality, evidence based clinical services, and assistance with planning and implementation of quality improvement projects within the department. You will also support the senior staff to enhance team building and excellence within the team and Allied Health. This position is allocated to a rotation caseload which may vary according to the needs of the department.

This position includes participation in a rotating weekend roster. As a Physiotherapist - Grade 1 you may be expected to work in various locations and programs within Grampians Health and regional /external services.

KEY ACCOUNTABILITIES

Provision of care

- Demonstrate basic professional competence in assessment, planning and implementation of appropriate interventions across a varied caseload including acute, sub-acute, rehabilitation, outpatient, and community-based clients.
- Demonstrate a commitment to client centred practice and provide education and/or information to clients/carers as appropriate to their needs
- Appropriately prioritise services to those in need, based on clinical priority and eligibility as directed by Deputy Manager Physiotherapy Ballarat or Senior clinician
- Develop and deliver service in accordance with the clinical program model of care and requirements
- Understand and utilise evidence-based practice principles and participate in Quality Improvement activities
- Practice in accordance with the relevant health care, industry or association standards

Collaborative practice

- Provide clear, concise and comprehensive clinical handover information
- Participate in group programs and delivery of presentations to community groups as directed by the Deputy Manager Physiotherapy Ballarat or Senior clinician
- Involve clients and carers in developing care plans in response to assessed and agreed needs
- Contribute to the maintenance of positive relationships with the service, health sector, and community, that promote multidisciplinary service delivery and holistic patient care
- Promote the understanding of your role within the organisation
- Demonstrate effective communication strategies through sound verbal, non-verbal and written skills
- Active and collaborative participation in all relevant meetings

Health values

- Remain aware of, and align clinical practice with principles of health promotion
- Contribute to a supportive and inclusive work environment that embraces equity and diversity
- Practice and promote GH values
- Demonstrate knowledge of GH strategic plan and understanding of factors that affect health systems in regional and rural Victoria

Professional, ethical and legal approach

- Comply with credentialing requirements, OH&S legislation and GH Policies and procedures
- Abide by Victorian Public Sector Employees Code of Conduct
- Demonstrate sound organisation through efficient time management and professional responsibility
- Carry out timely and accurate recording of statistical data
- Manage risk and actively work towards implementing risk mitigation strategies (VHIMS/ policies/ procedures)
- Ensure documentation of patient care is completed in accordance with GH policies
- Accept accountability and responsibility for own actions and operate within scope of practice
- Comply with mandatory training requirements

- Abide by the organisation's requirements pertaining to appropriate information security and information management regulations

Lifelong learning

- Under direction, work with students as part of the delivery of undergraduate and work experience student programs as directed by the Deputy Manager Physiotherapy Ballarat or Senior clinician
- Actively participate in clinical supervision in accordance with the GH Allied Health policy
- Assist in the review and implementation of policies and procedures specific to the profession and clinical area
- Actively engage in and provide professional development and model a commitment to lifelong learning
- Exchange knowledge with other professionals through formal and informal learning opportunities
- Display a commitment to and assume responsibility for individual professional development
- Actively engage in the Professional Development Review process and maintain Continuing Professional Development (CPD) requirements
- Acknowledge limitations of professional knowledge and experience, seeking assistance as required

KEY SELECTION CRITERIA

Qualifications

- Bachelor or tertiary equivalent in Physiotherapy
- AHPRA registration
- Current driver's licence

Technical/Professional Knowledge and Skills

- Sound theoretical knowledge and the ability to apply this in assessment, treatment and management options for acute, rehabilitation and community patients with various diagnoses, and a commitment to quality care and evidence-based practice
- Sound computer literacy

Work Environment

- Ability to cooperate and work collaboratively within a multidisciplinary team and with multiple stakeholders in the pursuit of team goals
- Excellent verbal and written communication skills

Personal attributes

- Commitment to the Grampians Health values
- Ability to work independently and appropriately identify when to seek help
- Sound organisational and self-management skills
- Demonstrated ability to monitor, evaluate and modify own performance through reflective practice
- Ability to work flexibly and adapt constructively to a busy working environment
- Communicates well with, relates to and sees issues from the perspective of a diverse range of people, cultures and backgrounds

ORGANISATIONAL REQUIREMENTS

- Grampians Health is committed to a consumer centred approach in the provision of health care and services, consistent with our values, purpose and vision. It is expected that team members demonstrate the core values of consumer centred care in every interaction.
- All team members of Grampians Health are responsible for supporting the safety, participation, wellbeing and empowerment of children.

- Quality care is a strategic and operational priority at Grampians Health, achieved through our Governance Framework.
- Participation in the Grampians Health integrated quality improvement and risk management systems by being aware of responsibilities to identify, minimise and manage risks and identifying opportunities for continuous improvement in your workplace through communication and consultation with managers and colleague.
- You must ensure that the affairs of Grampians Health, its patients, clients and staff remain strictly confidential and are not divulged to any third party except where required for clinical reasons or by law. Such confidentiality shall extend to the commercial and financial interests and activities of Grampians Health.
- In accordance with current legislation and organisational policy, employees must be willing to undertake and maintain a police check, working with children check and where necessary an NDIS Worker screening check. Ongoing employment will be dependent on the provision of satisfactory checks.

OTHER RELEVANT INFORMATION

- At Grampians Health we recognise and respect diversity. Each person has a right to high-quality health care and opportunities regardless of diversity factors which might include aspects such as cultural, ethnic, linguistic, religious background, gender, sexual orientation, age, and socioeconomic status. Inclusiveness improves our service to our community and promotes engagement amongst Grampians Health employees.
- All Grampians Health employees are required to take reasonable care of their own health and safety in the workplace as well as take reasonable care for the health and safety of others who may be affected by their acts or omissions. Persons with delegated management functions have an additional duty to provide and maintain a working environment that is safe and free of risks to health, so far as is reasonably practicable in areas where they have management or control. All employees have a duty to report issues they cannot rectify, follow all existing Grampians Health policies and protocols relating to health, safety, wellbeing and injury management and cooperate with any action taken by Grampians Health to comply with the OHS Act or Regulations.
- Statements included in this Position Description are intended to reflect in general the duties and responsibilities of this position and are not to be interpreted as being all inclusive.
- Management may alter this Position Description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).
- An annual performance review will occur with your Manager. Your performance review is intended to be a positive discussion, outlining the key roles and responsibilities outlined in this Position Description. The performance review discussion provides an opportunity to clarify your role, revise key performance activities and identify any objectives or goals for the year ahead.
